

# Success on the cards

A CLAIRVOYANT from New Zealand is looking forward to a bright future in Horsham.

Sianne Jones, 42, of Earles Meadow, also does Feng Shui.

Feng shui (pronounced "fung shway") is the ancient Chinese practice of placement and arrangement of space to achieve harmony with the environment. The literal translation is "wind and water".

Feng shui is not simply a decorating style, but a discipline with guidelines compatible with different techniques of architectural planning.

Sianne said: "I go to people's houses and specialise in space clearing, dealing with negative energy. It can really help people's lives."

Sianne also uses dowsing rods which cross in order to detect negative energy.

"With the clairvoyance, I hold keys or a watch and I tell people how they are feeling."

Sianne has appeared on TV in her native New Zealand and hopes for similar success in the UK.

She said: "I really love doing it. I am hoping to have the same sort of business over here. I'm raring to go."
